Answer: c

Question: 2

A client has entered the following information in their investment elimination template: CR - Investment in Subsidiaries 1,000,000 and DR - Goodwill 500,000.

The client has no more information available, and they want to use the investment register and eliminations template to take advantage of the automated amortization functionality.

What should they do?

a) Enter the difference to an offset account, and then use the investment elimination template.
b) Enter the difference to an offset account, and then create an automatic journal to eliminate this value.
c) Disable the no balance control in the general configuration.
d) Enable the no balance control in the general configuration.

**Answer: d**

Question: 3

The company journal in the diagram below is copied into period 0701TS. Users notice that the Journals Across report for 0701TS has reported amounts for Cash, Total Current Assets, and Total Assets. The report does not show equity.

Based on the general configurations settings in the diagram below, what should be changed on the general configuration so that the Journal Across report shows equity?

General Configuration Reconcile 2 shows the following:

Main Settings

	Balance Sheet	P&L Statement
Net Income:	R600_000	R600_000
Retained Earnings BS:		
Prev Year Net Income BS:		

Accounts for Analysis of Reserves

☐ Use transfer accounts

	Retained Earnings	Net Income
Opening Balance:		
Transfer:		
Net Income (non-integrated):		B710005420

Differences

	Main Account	Non-Int. Account
Currency Conversion Difference Account 1:	B740000	B740005510
Currency Conversion Difference Account 2:	B740000	B740005510
MNM Method Currency Conversion Difference:		
Other Difference for Automatic Journals:		

Company CATEST records the following Journal Entry:

Journal Selections

Actuality:	TS	...	Currency Type:	LC	...	CAD
Period:	0612	...	Journal Type:	GP	...	US GAAP
Company:	CATEST	...	Conversion Test

Account		Text	\try	Region	Debit(CAD)	Credit(CAD)
B100000	...	Cash			100	
R100_000		External Reven				100
