Know Your C2090-552 Certification Well:

The C2090-552 is best suitable for candidates who want to gain knowledge in the IBM Data and AI - Platform Analytics. Before you start your C2090-552 preparation you may struggle to get all the crucial InfoSphere Optim for Distributed Systems Fundamentals materials like C2090-552 syllabus, sample questions, study guide.

But don't worry the C2090-552 PDF is here to help you prepare in a stress free manner.

The PDF is a combination of all your queries like-

- What is in the C2090-552 syllabus?
- How many questions are there in the C2090-552 exam?
- Which Practice test would help me to pass the C2090-552 exam at the first attempt?

Passing the C2090-552 exam makes you IBM Certified Specialist - InfoSphere Optim for Distributed Systems Fundamentals. Having the InfoSphere Optim for Distributed Systems Fundamentals certification opens multiple opportunities for you. You can grab a new job, get a higher salary or simply get recognition within your current organization.

IBM C2090-552 InfoSphere Optim for Distributed Systems Fundamentals Certification Details:

Exam Name	IBM Certified Specialist - InfoSphere Optim for Distributed Systems Fundamentals
Exam Code	C2090-552
Exam Price	\$200 (USD)
Duration	90 mins
Number of Questions	65
Passing Score	75%
Books / Training	Optim Solution Library
Schedule Exam	Pearson VUE
Sample Questions	IBM InfoSphere Optim for Distributed Systems Fundamentals Sample Questions
Practice Exam	IBM C2090-552 Certification Practice Exam

C2090-552 Syllabus:

Topic	Details	Weights
Installation and Configuration	<ul style="list-style-type: none"> - Optim Architecture <ul style="list-style-type: none"> 1. Operating Systems/Hardware support 2. Database Support - Establishing Environments <ul style="list-style-type: none"> 1. Optim Directories (location, numbers, owners) 2. Confirming installation pre-reqs 3. Physical installations - Security <ul style="list-style-type: none"> 1. Initializing 2. Enabling 3. Configuring - Archive / Extract Maintenance <ul style="list-style-type: none"> 1. File locations/sub-systems 2. File naming / sizing 	25%
Optim Core Functionality	<ul style="list-style-type: none"> - Data Growth <ul style="list-style-type: none"> 1. Archive 2. Delete 3. Restore - Decommissioning - Test Data Management <ul style="list-style-type: none"> 1. Extract / Insert 2. Edit 3. Compare - Data Privacy Functions (when to use which ones) <ul style="list-style-type: none"> 1. Convert 2. Privacy Functions - Access Definitions - Relationships 	35%

Topic	Details	Weights
Advanced Topics	<ul style="list-style-type: none"> - Enterprise Integration <ol style="list-style-type: none"> 1. Security 2. Storage 3. Automation (i.e. Command Line) - Import/Export OPTIM DDL - Archive Files (i.e., location, collections, moving, registering, creating, managing index files) <ol style="list-style-type: none"> 1. Optim Connect 2. Archive Collections 3. Archive Indexes 4. Archive File Maintenance - Complex Data Model Traversals - Extended Data Sources <ol style="list-style-type: none"> 1. InfoSphere Federation Server 2. Optim Connect - Non-Enforced Referential Integrity - Column Maps and Exits 	34%
Performance and Troubleshooting	<ul style="list-style-type: none"> - Log Files, Trace Files and Statistical Reports - Relationships (i.e., delete strategy, OPTIM relationships, Forced Key/Scan Lookups, Scans, Threads) - Relationship Index Analysis 	6%

IBM C2090-552 Sample Questions:

Question: 1

- d) It must be started automatically when the machine is started.

Answer: c

Study Guide to Crack IBM InfoSphere Optim for Distributed Systems Fundamentals C2090-552 Exam:

- Getting details of the C2090-552 syllabus, is the first step of a study plan. This pdf is going to be of ultimate help. Completion of the syllabus is must to pass the C2090-552 exam.
- Making a schedule is vital. A structured method of preparation leads to success. A candidate must plan his schedule and follow it rigorously to attain success.
- Joining the IBM provided training for C2090-552 exam could be of much help. If there is specific training for the exam, you can discover it from the link above.
- Read from the C2090-552 sample questions to gain your idea about the actual exam questions. In this PDF useful sample questions are provided to make your exam preparation easy.
- Practicing on C2090-552 practice tests is must. Continuous practice will make you an expert in all syllabus areas.

Reliable Online Practice Test for C2090-552 Certification

Make EduSum.com your best friend during your IBM InfoSphere Optim for Distributed Systems Fundamentals exam preparation. We provide authentic practice tests for the C2090-552 exam. Experts design these online practice tests, so we can offer you an exclusive experience of taking the actual C2090-552 exam. We guarantee you 100% success in your first exam attempt if you continue practicing regularly. Don't bother if you don't get 100% marks in initial practice exam attempts. Just utilize the result section to know your strengths and weaknesses and prepare according to that until you get 100% with our practice tests. Our evaluation makes you confident, and you can score high in the C2090-552 exam.
