- d) Manufacturing > Work Definition> Manage Standard Operations> Create automatic definition

**Answer: c**

**Question: 9**

Your customer wants to mass create and modify Work Definitions and the relevant operation, items, and resources available in the spreadsheet.

Which two operations are not supported using ADFDI (Oracle Application Development Framework Desktop Integration)?

- a) Create Work Definitions
- b) Update Work Definitions
- c) Create and update ATO (Assemble To Order) model work definitions
- d) Populate Descriptive flexfields

**Answer: c, d**

**Question: 10**

Identify two reports that provide work order cost-related information to the costing user.

- a) Work order Operational Analysis
- b) WIP Balance by Plant
- c) Purchase Variance Summary
- d) Cost Accounting Dashboard

**Answer: a, d**

## Study Guide to Crack Oracle Manufacturing Cloud Implementation Professional 1Z0-1075-23 Exam:

- Getting details of the 1Z0-1075-23 syllabus, is the first step of a study plan. This pdf is going to be of ultimate help. Completion of the syllabus is must to pass the 1Z0-1075-23 exam.
- Making a schedule is vital. A structured method of preparation leads to success. A candidate must plan his schedule and follow it rigorously to attain success.
- Joining the Oracle provided training for 1Z0-1075-23 exam could be of much help. If there is specific training for the exam, you can discover it from the link above.
- Read from the 1Z0-1075-23 sample questions to gain your idea about the actual exam questions. In this PDF useful sample questions are provided to make your exam preparation easy.
- Practicing on 1Z0-1075-23 practice tests is must. Continuous practice will make you an expert in all syllabus areas.

## Reliable Online Practice Test for 1Z0-1075-23 Certification

Make DBExam.com your best friend during your Oracle Manufacturing Cloud 2023 Implementation Professional exam preparation. We provide authentic practice tests for the 1Z0-1075-23 exam. Experts design these online practice tests, so we can offer you an exclusive experience of taking the actual 1Z0-1075-23 exam. We guarantee you 100% success in your first exam attempt if you continue practicing regularly. Don't bother if you don't get 100% marks in initial practice exam attempts. Just utilize the result section to know your strengths and weaknesses and prepare according to that until you get 100% with our practice tests. Our evaluation makes you confident, and you can score high in the 1Z0-1075-23 exam.
