## Dell Technologies D-PVM-OE-23 Sample Questions:

### Question: 1

A systems administrator wants to present Gatekeeper devices to two standalone Microsoft Windows servers that run Solutions Enabler control operations.

What information should be provided to the administrator?

- a) Each host should have its own unique Gatekeepers
- b) Hosts that run Solutions Enabler do not require any Gatekeepers
- c) Gatekeeper devices can be shared across hosts
- d) Gatekeeper devices should be no larger than 6 KB in size

**Answer: a**

### Question: 2

In a local configuration, where is Unisphere and Solutions Enabler installed?

- a) Host that has a direct connection to the Unisphere client
- b) Host that has a direct connection to the storage array
- c) In the guest operating system on the array
- d) In the tools guest on the array

**Answer: b**

**Question: 3**

What can be used to relink a TimeFinder SnapVX target?

- a) Any snapshot of any source device
- b) Any generation of the same snapshot only
- c) Any snapshot of the same source device only
- d) Same generation of a snapshot only

**Answer: c**

**Question: 4**

Which service level manages TimeFinder SnapVX snapshot deltas in a VMAX3 array?

- a) Silver service level
- b) Service level set on the target Storage Group
- c) Optimized service level
- d) Service level set on the source Storage Group

**Answer: c**

**Question: 5**

A systems administrator wants to attach a new IBM server to a PowerMax 8000. The administrator is concerned about the port flag setting and interoperability. Where can the correct port setting be retrieved?

- a) Live Optics
- b) Dell EMC E-Lab Navigator
- c) [www.dell.com](http://www.dell.com)
- d) Unisphere Online Help

**Answer: b**

**Question: 6**

How is the Allocated Capacity percentage for an SRP determined?

- a) Calculated against the total unsubscribed capacity
- b) Calculated against the used capacity
- c) Calculated against the overall capacity
- d) Calculated against the total subscribed capacity

**Answer: c**

**Question: 7**

You are performing a non-disruptive migration between two arrays within the same data center. What is the maximum number of concurrent migration sessions?

- a) 20
- b) 30
- c) 40
- d) 50

**Answer: d**

**Question: 8**

In addition to the Solutions Enabler Base daemon, which other daemon is also mandatory at installation?

- a) STP
- b) SYMAPI Server
- c) GNS
- d) Event

Answer: c

**Question: 9**

How many pointers can be stored per Deduplication Management Object (DMO)?

- a) 5
- b) 8
- c) 10
- d) 16

**Answer: a**

**Question: 10**

How many DAEs are in a fully-populated PowerMax 8000?

- a) 8
- b) 12
- c) 16
- d) 20

**Answer: b**

## Study Guide to Crack Dell Technologies PowerMax and VMAX Family Solutions Operate D-PVM-OE-23 Exam:

- Getting details of the D-PVM-OE-23 syllabus, is the first step of a study plan. This pdf is going to be of ultimate help. Completion of the syllabus is must to pass the D-PVM-OE-23 exam.
- Making a schedule is vital. A structured method of preparation leads to success. A candidate must plan his schedule and follow it rigorously to attain success.
- Joining the Dell Technologies provided training for D-PVM-OE-23 exam could be of much help. If there is specific training for the exam, you can discover it from the link above.
- Read from the D-PVM-OE-23 sample questions to gain your idea about the actual exam questions. In this PDF useful sample questions are provided to make your exam preparation easy.
- Practicing on D-PVM-OE-23 practice tests is must. Continuous practice will make you an expert in all syllabus areas.

### **Reliable Online Practice Test for D-PVM-OE-23 Certification**

Make EduSum.com your best friend during your Dell Technologies PowerMax and VMAX Family Solutions Operate 2023 exam preparation. We provide authentic practice tests for the D-PVM-OE-23 exam. Experts design these online practice tests, so we can offer you an exclusive experience of taking the actual D-PVM-OE-23 exam. We guarantee you 100% success in your first exam attempt if you continue practicing regularly. Don't bother if you don't get 100% marks in initial practice exam attempts. Just utilize the result section to know your strengths and weaknesses and prepare according to that until you get 100% with our practice tests. Our evaluation makes you confident, and you can score high in the D-PVM-OE-23 exam.
